Re : Website

Mr. Garner:

The website that you produced for our Kilworth Land Development project has dignity, class and impact.

This phase has 22 Lots. My accountant alerted me to target sales at 15 lots in the first 12 months of marketing. We sold 12 in four months.

The website was instrumental in every sale, dispensing detailed information, and crystallizing decisions.

The best value for our advertising dollar in 53 years of business.

Norman W. Brooks,
President
